WHAT WE DO

OUR SERVICES

DRIVEWAY CLEANING

Our specialty. We blast away dirt, oil stains, grime, and buildup to leave your driveway looking brand new. Most driveways take around an hour — sometimes more, sometimes less depending on size and condition.

BACKYARD SURFACES

We may be able to tackle your backyard depending on the surface type and layout. Give us a call and describe what you've got — we'll let you know if it's something we can handle.

CUSTOM QUOTES

Not sure about pricing or whether your job fits? Call us on the weekend and we'll talk through your address, square footage, and any special details to get you an accurate picture before we show up.

TRANSPARENT PRICING

SIMPLE, FAIR RATES

\$0.40

per square foot

No hidden fees. No surprises. The price is based purely on the square footage of the area we clean.

For example, a typical two-car driveway (~400 sq ft) would come out to around **\$160**. We'll confirm exact pricing when you call — just have your address ready so we can give you a good estimate.

THE PROCESS

HOW IT WORKS

01

Call Us on the Weekend

Reach out Saturday or Sunday. We're available to chat about your job, pricing, and scheduling.

02

Discuss the Details

Share your address, describe the area, and we'll talk through timing, square footage, and total cost.

03

We Show Up & Get to Work

We arrive at the agreed time with everything needed. Most driveways are done in about an hour.

04

Enjoy the Results

Step back and admire a clean, fresh driveway — without lifting a finger.

WHO WE ARE

MEET THE OWNERS

Neighborhood Washes was started by two 12-year-old entrepreneurs from right here in the community — **Jacob Bucko** and his business partner — who saw a need and decided to do something about it.

We're not a big corporation. We're your actual neighbors, putting in real work to earn your trust and deliver results you can see. Every driveway we clean is a reflection of our reputation — and we take that seriously.

We keep things simple: show up on time, do great work, charge a fair price. That's the Neighborhood Washes promise.

Locally Owned & Operated

Two friends. One mission.

We started this business because we believe hard work pays off — and we want to prove it one clean driveway at a time.
